

# JOINING THE DOTS.

## TRANSITION NETWORK

## AN INVITATION TO JOIN

New for 2019, a network that aims to build the capability of schools to improve their primary secondary school transition practise (Year 4 to Year 9) for greater engagement in learning.

### Who is it for?

Organisational membership is for transition coordinators, teachers, wellbeing staff and other educators, as well as local agency workers

### What are the benefits of membership?

- You will learn how to improve school practice in supporting young people and their families during transition from primary to secondary school
- You will have the opportunity to network with other schools and agencies to discuss best practice ideas and their practical implementation
- You will build your professional skills and be part of a supportive and self-directed network
- You will have dedicated time for local transition clusters to meet and progress local initiatives

### Featuring:

#### Regional Community of Practice

A unique network that is self-directed and funded, with a Steering Group comprised of members and a dedicated coordinator who will deliver a quality program over four meetings this year

#### Evidence-Based & Highly Practical

Joining the Dots is based on action research developed over 7 years in partnership with local schools and agencies in the inner north of Melbourne. Members will be actively involved in practical, evidence-based professional learning.

#### Alignment with all FISO Priorities

The Network aligns with all four dimensions of the Framework for Improving Student Outcomes by working collaboratively to improve student engagement and wellbeing, including a focus on strengthening student voice and agency

### MEETING DATES

**Term One:** Thursday, 21 March

**Term Two:** Thursday, 6 June

**Term Three:** Thursday, 15 August

**Term Four:** Thursday, 7 November

### How much?

To give the Network the best chance of success, an initial two year commitment is encouraged, with annual organisational membership fees of \$1,500+GST.
