

# INNER NORTH OF MELBOURNE – JOBS FOR YOUTH

Just like the rest of Melbourne the inner northern region has been hit hard by the lock down with COVID-19. The **Inner Northern region** has had significant ups and downs during 2020 with 2 lock down periods which have had an immediate impact on the number of job adverts. The JFY website ([jobsforyouth.com.au](http://jobsforyouth.com.au)) covers the council areas of **Darebin, Moreland** and **Yarra** and picks up jobs in the Melbourne CBD and St Kilda Road postcode 3004. It is a significant labour market.

**Job Adverts on JFY website: Jan-Oct 2020**

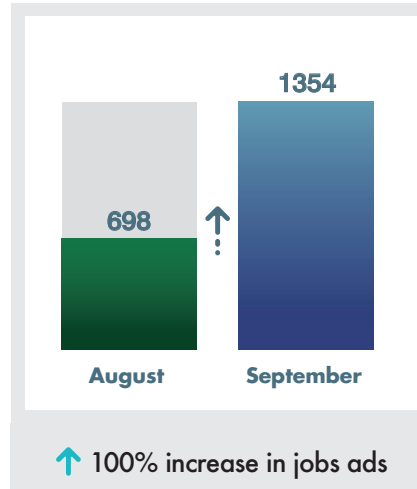

**Job Ads: August 2019 - 2020**

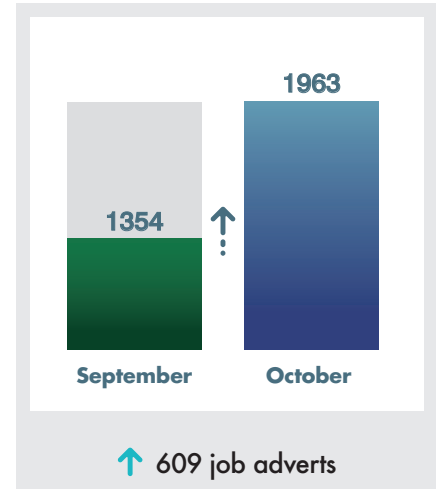

In **August 2020** the jobs advertised bottomed out at **658** for the same month in **2019** we had **1409** jobs a reduction of **751** job adverts in **2020**.

**Job Ads: Aug - Sept 2020**

In **September** the recovery started with an increase of **698** new adverts up to **1354** job adverts for the month. This is close to **100% increase** in jobs from **August to September**.

**Job Ads: Sept - Oct 2020**

In **October** the recovery is in full swing with **1963** job adverts up from **1354** or an extra **609** jobs adverts for the month.

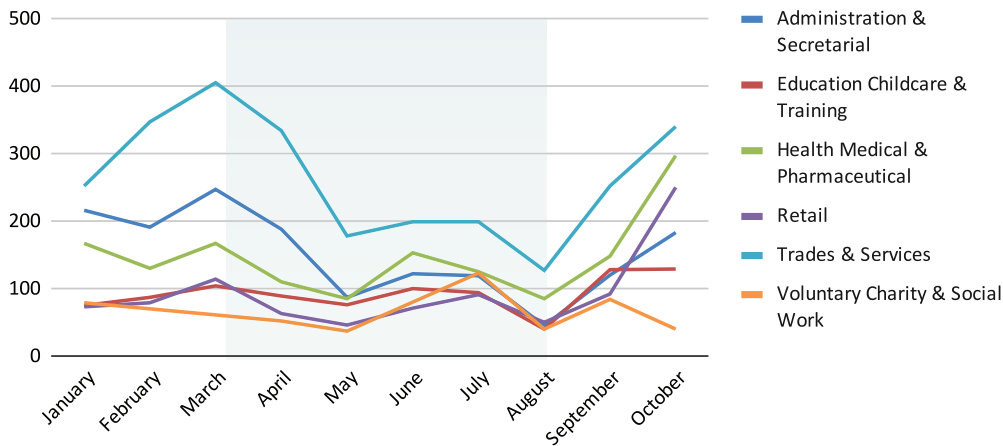

So all in all some great news for young job seekers in our region.

The full picture according to JFY talent community jobs site.

### Trending Industries - Job Numbers Trending Upward

### Trending Industries - Job Numbers

## POSITIVE OUTLOOK

As we start to emerge from COVID-19 lockdown we expect to see a strong increase in the number of jobs within the hospitality and retails sectors as a lead into the Christmas trading period.
