

Vocational Mentoring Roles June – November 2022

The **Vocational Mentoring Exchange** has nine highly rewarding school or community-based volunteer mentoring opportunities available from June, with no previous mentoring experience required. Current VME mentors are able to move between streams subject to completion of appropriate program specific training and appropriate skills/experience for the role. **To apply or for more information see <http://inllen.org.au/vme/>**

* Training

- Current VME mentors do not need to repeat Training Session 1 if continuing in the same program or moving to a different VME Program
- Training Session 2 is program specific and the format and timing will be depend upon which program you choose
