

Youth Enterprise Hub (School-based, 3 options, 11 Roles)

A face-to-face/blended entrepreneurial mentoring program that brings volunteers into the VCAL classroom/online once a fortnight for up to 90minutes to work closely with a small group of 3-5 students. Through a range of activities, prototyping and an excursion into industry, mentors will draw on their own entrepreneurial experience to support the students to develop their micro-enterprise projects. Volunteer mentors will work in collaboration with teachers and students in partner secondary schools. <http://inllen.org.au/yeh/>
