# Bringing it all together - some key details

100% of profits are directed towards our mission of eliminating youth homelessness in Melbourne

We operate within two 'buckets' of social enterprises:

1. Employment and training (direct)
2. Investing profit into programs run by other organisations (indirect)

We are a not-for-profit organisation and approved charity with DGR status through the ACNC.

We are certified as a social enterprise by Social Traders.

Every time we make a decision we ask "will this get us closer to achieving our mission?"
