

VIC VICE Booking Form

The purpose of this form is to streamline the event/activity information gathering process for booking of the VIC VICE Virtual Reality (VR) career experiences.

VIC VICE offers students a unique opportunity to virtually step into various industries, providing an immersive preview of different professional environments. With access to 11 interactive workplaces, students can actively engage in simulations, gaining hands-on experience and practical insights into specific job roles, tasks, and responsibilities.

INLLEN is excited to offer schools the opportunity to borrow 5 VIC VICE Virtual Reality headsets to enhance their career development programs. These headsets will be available for an agreed-upon duration, allowing schools to integrate immersive VR experiences into their activities.

To support you, we provide comprehensive training and resource links.

Delivery and pick-up options are flexible, contingent upon our capacity to accommodate your school's needs.

To make a booking, kindly complete the attached form, including your intended borrowing dates and times. Once filled out, please return the booking form to bmahon@inllen.org.au

We appreciate your enthusiasm for incorporating VIC VICE into your school's curriculum and look forward to assisting in enhancing your students' career development experiences.

Please do not hesitate to contact Bret for more information, at bmahon@inllen.org.au or **0402 650 979**.
