## WHAT WE DO

Inner Northern Local Learning & Employment Network (INLEN) is an independent community organisation which develops partnerships and strategies to support young people across Darebin, Moreland and Yarra to successfully move from school to further education, training and employment.

### WORK READINESS

**Real Industry Job Interviews (RIJI)** is a work readiness program that assists students in developing good job search, resume writing and interviewing skills. The program concludes with 3 regional face-to-face interview events, consisting of local volunteer employers to conduct these interviews.

22 schools and more than 1000 students are enrolled in the 2021 RIJI program.

#### Become a RIJI Volunteer Interviewer

As a volunteer, you will give young people the opportunity to practise and improve their interviewing skills at the following events:

#### 2021 RIJI Events

TBC (July - August)

### INDUSTRY ENGAGEMENT

**Industry Speaker Bank (ISB)** is a ready resource of industry professionals from varied backgrounds, job roles and career pathways who are prepared to speak with young people about their career journey.

As an Industry speaker, you will provide engaging, thought-provoking and inspiring employment & business/industry related presentations to students.

Presentations are delivered via online platforms or during schools visits

**We are seeking industry and business professionals to participate in this initiative**

### ON-THE-JOB EXPERIENCE

**Structured Workplace Learning (SWL)** is on-the-job training that allows students to develop their work skills and understand employer expectations. SWL is available to students undertaking a VET program as part of VCAL or VCE studies.

Work placements are a great way to improve employment outcomes for young Victorians.

Help shape tomorrow's workforce by hosting a young person in your workplace.

VME recruits, trains and supports vocational mentors from all walks of life to assist young people from the inner north of Melbourne in their career transition journey.

**Vocational Mentoring** provides a key support in career exploration and job seeking for socially and economically disadvantaged young people.

**Mentoring Matters** is a 10 week vocational mentoring program for senior secondary students in Melbourne's inner north.

**We are seeking members of the community** who will draw from their own career/life experience and networks to guide in-class discussions and simple activities, overseen by the VCAL teacher.
